ADDRESS PRESENTED TO

Hon'ble Sri. K. Kamaraja Nadar,

CHIEF MINISTER, MADRAS STATE

By

THE PRESIDENT & MEMBERS OF THE KINNIGOLY PANCHAYAT BOARD, S. KANARA.

Dated 28—4—1955.

Sir,

We the representatives of the people of Mennabettu, Talipady, Kondemoola, Nadugodu and Kelenjoor villages forming the Kinnigoly Panchayat Area, feel most happy to have you in our midst to-day on the auspicious occasion of opening a Rural Bank in this small but beautiful town of ours. We extend you the most cordial welcome and we consider it a great privilege you have given us the opportunity of meeting you and paying our respects to you. Kinnigoly is one of the most distinguished Panchayats of the District and the President of the Kinnigoly Panchayat is also the Secretary of the District Union of Panchayats of South Kanara.

The Panchayat was constituted in 1935 and ever since, it has been doing its best to provide our people, inspite of financial handicaps, amenities viz.—construction and maintaining of 16 miles of village roads, construction of nine foot-bridges and 25 culverts, maintaining of an Elementary School, free reading room and library and one Radio pavilion and Children's Corner at Rajaratnapuram, and a daily Market, Cart stand, Bus stand and Street lighting and Maternity and Child-welfare centre, etc.

The Board has undertaken different road works, bridges and culverts and sinking of public wells totalling an estimate of Rs. 31,000/— during the years 1954-'55 under the Community Project Scheme and the works on hand are nearing completion.

Kinnigoly Panchayat Area is densely populated, and the population is ten thousand. There are two High Schools, three Higher Elementary Schools and five Elementary Schools catering education to nearly 2500 children in all. There are three Banks and a sub-Post Office, prohibition station, veterinary hospital, poultry farm, etc. There are two churches and one famous Sri Durga Parameshwari Temple at Katil. Hindus and Christians are the major groups and there are Muslims also. All the people belonging to different religions and sects live in perfect harmony and as good neighbours. But ninety percent of the people are poor and have to work hard to maintain their families and give education to their children.

The most acute need of the place is a Government free hospital for the poor. There are no Government or L. F. Hospitals within six miles from this place. We therefore earnestly request the Chief Minister to take cognisance of this need and be pleased to include a Free Hospital for this place at least in the next five year plan. As we find the Health Minister accompanying the Chief Minister, we hope to get an assurance.

We do not wish to embarrass the Chief Minister with further demands for the present.

We pray that Almighty God may be pleased to spare you for many years to come and give the benefit of your love and sincere service to the whole of Madras State.

Yours faithfully,

President and Members,
Kinnigoly Panchayat.
